

Appendix B: Considerations for Design Guidelines

The images below show existing and proposed development from different locations, with materials, building styles, streetscapes, site layouts, and other design elements that might be applicable or desirable for new development in the Wye Mills area. These images are provided as examples, and do not constitute specific design recommendations.

Eastern Shore and coastal vernacular architecture:
Wye Mill (top left)
White Swan Tavern Bed and Breakfast, Chestertown (top right)
Easton, Maryland commercial district (bottom left)
Building in Corolla, NC (bottom right)
