Action Items:

<i>Who</i>	<i>What</i>	<i>When</i>
Bill Bailey and Bob Berney	Per Lynda Thomas, Bill and Bob need to communicate interest in continuing BPAC membership to Lynda Thomas (confirmed 4/11 via email from Lynda). Financial disclosure form might also be necessary to Tina Miles, QAC once membership is renewed.	Prior to 8/8/18 meeting
Paul	Update team on outcome from May Map Connectivity mtg.	May, 2018
Nancy	Assist in scheduling BPAC member attendance to Parks & Rec. Advisory Board (PRAB) monthly meeting so that we might share our team's 2018 Connectivity and Safety Recommendations.	Prior to next BPAC meeting 8/8
Crystal/Leslie/Joe?	Develop a recommendation on how to establish a BPAC social communication platform. Ideas included a Facebook page (Paul already has an existing one established that has fallen into disuse) or a county associated web page. Also define specific guidelines as to a) scope (e.g. safety, activities/events, BPAC minutes, Trail news, link to Connectivity MAP, links to other Bike and Pedestrian state and national web sites, etc.?) and b) effort required for maintenance/oversight (prefer minimal). Team sensitive to insuring platform does not become a political action voice/forum as the BPAC committee's defined role is to advise and counsel the Commissioners on Bike and Pedestrian issues.	Present at next BPAC 8/8 meeting

Items Discussed or Shared:

- 1) Discussed status of BPAC 2018 Connectivity and Safety Recommendations. Next step is completion of survey along Rt 8 (anticipate by June) which is required as first step to achieve Priority #1 and #2.
- 2) County is also continuing to investigate how to create pedestrian/bike access between Narrows and Safeway area.
- 3) Discussed Jamal property (vacant Outlet center) and Cross Island trail rerouting impacts.
- 4) Nick Stoer confirmed that he will not be renewing his BPAC team membership, which expired in March 2018. I would like to personally thank Nick for his active participation and input over the last several years during which I have been a BPAC member. Nick's active citizen involvement and awareness of county issues and personnel have been of great assistance and we look forward to his continuing attendance to our meetings, as time permits, as a "concerned citizen". Thanks Nick.

Next Meeting: Wednesday, August 8th 7:00 PM at Chesapeake Heritage Center (Visitors Center) located at 425 Piney Narrows Road in Chester – upstairs in Barrett Room
