CHAPTER 3 TEMPORARY LICENSES

3.01 SPECIAL ONE-DAY AND MULTIPLE EVENT LICENSES

The Board may grant special licenses of any class, except manufacturer’s and wholesaler’s, which entitle the holder to exercise any of the privileges conferred by the respective classes of licenses at any bona fide entertainment held or conducted by any non-profit/not-for-profit club, society, or association at the place described in the license, for a period not exceeding seven consecutive days from the effective date thereof. Where a temporary licensee rents or uses a portion of a regular licensee’s premises, both licensees shall be responsible for adhering to all state and local alcoholic beverages laws and regulations.

A temporary license holder may purchase alcoholic beverages from a retailer. Whenever a special one-day license is issued, the holders of wholesale licenses may enter into an agreement with the holder of a special one-day license to deliver beer or wine two days prior to the effective date, and to accept returns two days after the expiration date of the special license. Delivery of the beer or wine only may be made if the holder of the special license has in hand the special license at the time of delivery.

A special license may not be granted to any organization more than 12 times in any license year. Instead of purchasing individual event licenses for a particular class of license, an applicant may purchase a special

multiple event license for the same class of license. The total number of days for which special multiple event licenses may be issued to a single applicant may not exceed 36 days per calendar year.

The applicant shall pay in advance the fee for a special multiple event license. The Board may not issue a refund if the holder of the license in a license year holds fewer than the number of events that the holder is entitled to conduct. The fee for a special one-day or multiple event license is \$25 per day.

A special multiple event license may be issued for one premises only and to the same applicant for all events for which the license is issued, unless the Board in writing approves a substitute applicant. The Board may hold a hearing before approving a substitute applicant.

3.02 ALCOHOL AWARENESS

A server who is currently certified as having completed an alcohol awareness program shall be on the premises for which a one-day temporary or special multiple event license is issued whenever alcoholic beverages are served under the license.

- (i) Are in a locked and secured location that has been approved by the Board; and
- (ii) Are not sold or consumed except during licensed event hours.

(b) A license holder shall keep complete and accurate records of all alcoholic beverages purchased and sold on the licensed premises. The records shall be:

- (i) Maintained on the licensed premises for two (2) years;
- (ii) Available for inspection by authorized personnel of the Comptroller's Office and the Board of License Commissioners; and
- (iii) The records shall include a completed pre- and post-inventory of all alcoholic beverages for each individual event.

(c) Authorized personnel of the Comptroller's Office and the Board of License Commissioners may inspect the premises of a license holder during an event and with appropriate notice to the license holder, on a day when there is not an event.

3.05 BEER AND WINE TASTING AND SAMPLING

The Board may issue a one-day Class BWTS beer and wine (on-premises) tasting or sampling license. A Class BWTS license may only be issued to a holder of a current alcoholic beverages license or an organization that qualifies for a special Class C beer or Class C beer and wine license. A Class BWTS license may not be granted to a person more than 26 times in a calendar year. The license fee is \$100. The Board need not publish an application for a Class BWTS license before granting the license.

3.06 NO CHARGE

A Class BWTS license authorizes the holder to permit the consumption of wine or beer for tasting or sampling, if the alcoholic beverages are given to consumers at no charge.

 - (i) WINE – 1 ounce from a single brand of wine, and 4 ounces from all brands in a single day; and
