Team	Attend PRAB board meetings when BPAC action items are on meeting agenda. Meetings are open and BPAC members are encouraged to attend. Next PRAB meeting 3/21

**Team Action Items:**

**General Items Discussed or Shared:**

- Bob met with Paul and Steve about submitting action plans and minutes to the PRAB in order to provide more voice and visibility to BPAC issues as well as help streamline the PRAB meeting process. The team will try to identify items that they desire PRAB action or input, prior to PRAB meetings. Intention would be to attend and discuss these items at PRAB when on agenda.
- Went over the refresh of Connectivity and Safety recommendations. Discussed if they made sense and reviewed the priorities of them. We want to have 2022 updated and issued by the next PRAB meeting on 3/21/22.
  - Bob shared information from an email from Shane Moore regarding Grasonville's sidewalk system in response to 2021 recommendations. Will make updates for 2022.
  - Portions of Route 18/Route 213 have been designated as Great American Road along with also being Chesapeake Scenic Byway. This is big deal and should potentially lead to longer term funding opportunities with this designation.
  - Team discussed need for county to adopt Bike/Pedestrian Connectivity Master Plan. This was also discussed in 2021QAC Comprehensive plan public feedback. Master Plan would define strategic direction and would leverage existing Bicycle and Pedestrian Circulation and Connectivity MAP.
- Nancy updated the team on:
  - Forthcoming Way finding signage and kiosks for the Cross County Connector at Kent Narrows Bridge and trails. The maps are already made now. Hope to have installed by summer.
  - Four Seasons Restroom and parking opening soon.
  - Update on Traffic safety lights on trail.
  - Royal Farms and Lowry property update.
- Leslie shared with team that Nancy and Steve are being recognized for their community contributions by Kent Island Rotary.
