Legislation Title: Rezoning of Parcel 269

Description:

The purpose of this legislation is to rezone Parcel 269 from Stevensville Master-Planned Development (SMPD) District to Countryside (CS) District.

Analysis of Fiscal Impact:

This legislation itself produces no significant fiscal impact, as it is simply an amendment to County Sectional Zoning Map 56. The property tax on the property may increase or decrease as a result of the re-zoning, but until such time as the property is re-assessed under its new zoning, the impact on property tax revenue cannot be accurately estimated.
