2011 Comprehensive Water and Sewerage Plan  
Amendment No.11-07  
November 24, 2015

**Text Amendment** – (append to 4.3.2.1 Municipal Systems - Barclay)

**TOWN OF BARCLAY** - To reflect the impending construction of the sewer system extension from the Town of Sudlersville, the Town requested a sewer service map designation amendment for the parcels currently within the incorporated Town limits to be upgraded from S-3 to S-2.

In addition, on December 16, 2015 the incorporated Town of Barclay annexed the following parcels into their Town limits:

Tax Map 18 – Parcels - 22, 25, 26, 39, 40 (Lots 1 & 2), 41, 42, 43, 44, 45, 48, 60, 68, 82, 84, 86, 89, 92, 132.

Tax Map 24 - Parcels – 16 (lots 1, 2 & 4), 37, 109, 119, 121, 131, 143, 151, 165, 171, 189, 193.

It was requested that these properties have their sewer service map designation upgraded from S-6 to S-2. This amendment request was approved for all the parcels except for Parcels 84, 121, 171 & 16-lot 4 for which the sewer service map upgrade was conditioned on a revision to the Municipal Growth Element of the Town's Comprehensive Plan to include these four properties.

Via the now adopted Inter-Governmental Agreement, flows from the service area have been allocated a maximum flow of 75,000-gpd (May – September) and 90,000-gpd (October through April) at the Sudlersville wastewater treatment plant.
