PRIVACY NOTICE

This privacy notice discloses the privacy practices for (<https://mdqueenannesctyweb.myvscloud.com/webtrac/web/>) and the corresponding QAC – Parks and Recreation mobile app. This privacy notice applies solely to information collected on this website and it's corresponding mobile application.

Privacy Policy

We respect your right to privacy. This policy summarizes what personally identifiable information we may collect and how we might use this information. This policy also describes other important topics relating to your privacy. We reserve the right to modify this privacy policy at any time. We will promptly reflect any such modifications in these web pages.

Information Collection

We will only collect personally identifiable information (such as name, title, company name, address, telephone number or e-mail address) that you voluntarily provide through our website or via direct contact (email or phone) from you. We will collect general information (such as the type of browser you use, the files you request, and the domain name and country from which you request information) to improve our website and better meet your needs.

Use of Information

The information you supply will be used by us to respond to your inquiries or supply you with requested information from us. We will not share your information with any third party outside our organization, other than as necessary to fulfill your request (e.g., to ship an order). It may be necessary, if required by law or if pertinent to judicial or governmental investigations, to release your personally identifiable information. If you have submitted personal information to us electronically and would like it removed or modified, please contact us. We will use reasonable efforts to comply with your request.

Security

We take precautions to protect your information. When you submit sensitive information via the website, your information is protected both online and offline.

Wherever we collect sensitive information (such as credit card data), that information is encrypted and transmitted to us in a secure way. You can verify this by looking for closed lock icon on the web browser or looking for "https" at the beginning of the web page. For your protection, we will only process your order if you can make such a connection.
