# Director's Message

It is with great pleasure that the Queen Anne's County Parks and Recreation Department welcomes you to our world. It is our responsibility to provide the citizens and visitors a great parks and recreation experience. Queen Anne's County has it all! We have a variety of parks that stretch the entire county. You can find playgrounds, picnic shelters, nature areas, trails, courts or fields anywhere in the county. Over the last several years our department has made a concerted effort to upgrade/renovate many of our park amenities and trails. We have improved our field maintenance processes to give every player at every level the best possible playing experience. We continue to

expand our hard surface trail system with the eventual goal of connecting the Cross Island Trail and South Island Trail. Our park system offers not only the traditional amenities, but we have some unique ones as well including a skate park, futsal court, disc golf, and off-road bike trail. Our department is responsible for 22 county parks, 10 county natural resource areas, 18 public landings, 3 marinas, 2 fishing piers, Blue Heron Golf Course, and the Bay Bridge Airport. Lastly, our Recreation Department continues to plan summer camps, classes, special events, and a variety of sport leagues including basketball, indoor soccer, and beach volleyball. We look forward to seeing you in our parks!

# GENERAL INFORMATION

## **CAMP REGISTRATION**

Camp fees are established by determining the cost of supplies, fees for instructors, rentals, program administration, and the price of marketing in order to deliver high quality programs at an affordable price.

## **DISCOVER SUMMER PARTICIPATION**

Only individuals who are registered may participate. Where age restrictions apply, participants must be the age of 6-12 as of the start camp date. If any other standards apply, they will be noted in the Guide and the online registration.

For many programs, registrants or parents/legal guardians of minor registrants will be required to provide a signed Participation Information form at the first meeting. The purpose of this form is to ensure that all participants willingly share responsibility for their own safety. All activities contain inherent risks that each participant is urged to consult his or her physician concerning his or her fitness to participate. Please note that many camps will require confirmations that immunizations are current.

An authorized parent or legal guardian must accompany a child each day for both check-in and pick-up. It is your responsibility to sign your child in at the beginning of the program and sign your child out immediately following the program.

A \$15 fee will be assessed if your child is dropped off early or picked up late AND are not enrolled in before care.

Children must remain with the program for the full period scheduled. To leave before a day's camp is complete, a child must have written parental consent or the parent/guardian must pick the child up after notifying the camp director. No refunds will be issued for time missed for this or from dismissals resulting from disciplinary action.

## **DISCOVER SUMMER & SUMMER DAYS CAMP**

Refunds will either be credited back to the credit card used in 3 to 5 business days or a check will be issued within 2-3 weeks (if paid by cash or check). To request a refund please email [qacrecreation@qac.org](mailto:qacrecreation@qac.org).
