- David had monthly statistical report from PG County that he received was a hybrid of the MD State Md voters VR 13 and their own report with additional columns. He thinks we should combine reports and pull them monthly. Bill Stoops wants Chrissy to take a look at the report and verify it and we will go over it next month, no motion needed.
- David continued to discuss addresses at Storage units and Marinas. he went to several to find if people used it as mailing address. Wants to verify for duplicate voting. Chrissy said we follow MD Law when it comes to duplicate voters. Bill stoops said it criminal.

- David wants to see all voter rolls at zero variance. Bill Stoops and Jeff said this impossible, we are always going to have variance. People come in daily, people move, lots of moving parts. Until we get something from the state. Bill Stoops said we will move forward on this and get more information from Judicial watch
