Girl Scouts of the Chesapeake Bay, Leadership Experience

Girl Scouts of the Chesapeake Bay will provide the "Girl Scout Leadership Experience" to girls residing in the priority funding areas of the nine counties of the Eastern Shore of Maryland (Kent, Cecil, Queen Anne's, Talbot, Caroline, Dorchester, Wicomico, Worcester, and Somerset). Girl Scouts serves girls in kindergarten to twelfth grades. The Council is dedicated to reaching out to the girls who need it most; girls whose families struggle with the burdens of poverty, crime, drugs, lack of employment, lack of education, and hopelessness.

The Leadership Experience has three goals:

Goal 1: Discover – In discovering themselves girls will engage in activities that teach them to develop a strong sense of self by being able to make use of strategies to resist peer pressure with confidence and take responsibility for their actions.

Goal 2: Connect – In connecting with others the girls will focus on activities that teach them to develop healthy relationships by using positive communication and relationship building skills.

Goal 3: Take Action – To take action to make the world a better place, girls will plan a project to work with community members and learn the importance of giving back to their communities.
