

How Do I Get Involved?

If you are a homeowner and have a stream or other waterway on or adjacent to your property, and are interested in creating streamside buffer,

complete the attached application form, detach it from the brochure, and return it to the address on the back with a letter stamp. The bags will be available for pickup at a designated local site in time for the spring planting season. Quantities are limited.

20 FREE SEEDLINGS

FURTHER SPECIFIC DETAILS:

In April of 2013 for Queen Anne's County, up to 40 riparian sites will receive 20 free native seedlings consisting of 4 each of the following trees/shrubs: SWAMP WHITE OAK, SYCAMORE, WILLOW OAK, REDBUD AND RED OSIER DOGWOOD. First come/First served. Fill out an application (see brochure) and submit now if interested.
