MEMORANDUM

Date: March 30, 2017

To: Sanitary Commission

**ACTION ITEM**

From: Todd Mohn

Re: FY18 Sewerage and Water Rate Increase

In 2011, the Sanitary Commission adopted resolutions that capped the annual rate escalator at 6.5% for sewer fees and 5.5% for water fees. The resolutions had language indicating that these increases will take effect automatically on July 1 “unless the County Commissioners determine by resolution prior to July 1 of each year that the rates will increase by a lesser percentage”.

In order to keep the rate increase at 2.5% for both water and sewer fees for the upcoming FY18 budget (as it was submitted), the Board must pass a motion similar to what is provided below.

Please note the County Attorney has indicated an approved motion will satisfy the resolution requirement.

**I move to set the annual sewer and water operations & maintenance rate escalator for all Sanitary District rate schedules for the FY18 budget year at 2.5%.**
